## School Charter

## 'Believe, Achieve, Succeed'

We believe Church Gresley Infant and Nursery School is a special place. We have amazing children who are friendly, happy and motivated. In spite of the size of the school, we have a family ethos where a sense of community is strongly felt. Friendships are an important link between all our stakeholders and help us work towards a common goal of high aspirations for our children and a real sense of achievement. We have passionate caring staff, who care for each other, the children they teach and the parents they support.

High expectations of all stakeholders are an essential part of this success. Our charter sets out what we expect from children and from parents and carers and what you can expect from the staff that work here.
