End of Key Stage One Assessment Scores

Understanding End of Key Stage One Assessment Scores

Up until the end of the academic year 2022-2023, pupils in year two were expected to complete the end of Key Stage one SATS, which produced a record of pupil attainment. This is no longer a statutory requirement, however the school continues to report attainment information to parents based on a scaled score and teacher assessment, which then formulates a criterion as to whether a pupil has made expected progress or is still considered to be working towards the expected standard. Below is the table which illustrates the attainment of pupils at Church Gresley Infant and Nursery School.

2024 Subject	% of pupils meeting the expected standard at CGINS
Reading	68%
Reading *(working at greater depth)*	20%
Writing	63%
Writing *(working at greater depth)*	6%
Maths	77%
Maths *(working at greater depth)*	11%
