Understanding the Early Years Foundation Stage (EYFS) Profile

The Early Years Foundation Stage (EYFS) sets the standards that all early years providers must meet to ensure that children learn and develop well and are kept healthy and safe. It promotes teaching and learning to ensure children's 'school readiness' and gives children the broad range of knowledge and skills that provide the right foundation for good future progress.

In the final term of the year in which the child reaches five, and no later than 30th June in that term, the EYFS Profile must be completed for each child. The profile provides parents and carers, practitioners and teachers with a well-rounded picture of a child's knowledge, understanding and abilities, their progress against expected levels and their readiness for year one.

Please see the table below, which explains where CGINS is compared to other schools in Derbyshire and nationally.
