"Believe, Achieve, Succeed"

June 2025

Dear parents and carers,

As part of our behaviour approach at Church Gresley Infant and Nursery School we have a house system. All the children are affiliated with a particular house (the houses are all named after famous children's authors, in keeping with our enthusiasm about reading) and can earn house points to go towards a total. These points can be awarded for good behaviour when out of the classroom. The house with the most points at the end of term gets a treat. Throughout the year, the children have opportunities to work with the children from their houses on various projects and we have found it is a great way of allowing children of all age groups to work together in a different way. We celebrate the House point total each week in our Award Assembly.

We have a rainbow approach to the children's behaviour. Every child starts the day in the middle of the rainbow. They can work up the rainbow towards the sunshine or down the rainbow if they need reminders about their behaviour. Children who have moved down the rainbow during the day always start from the centre of the rainbow the next day. If a child has worked his or her way to the top of the rainbow and onto the sunshine they receive a 'sunshine sticker' at the end of the week.

Finally, can I ask you to carefully read our School Charter. We are all very passionate about this Charter as we know Church Gresley Infant and Nursery School is a special place and this is because we all work together for the good of the children. Please read this Charter. It is based on our five core values of Independence, Resilience, Kindness, Honesty and Respect. You will see there are expectations for all of us. Please read these carefully. One of the things I would like you to take especial notice of, is the fact that the school premises is **mobile free**. Therefore, please do not use your mobile phone anywhere on the premise, including the playground.

At the bottom of this letter is a slip. I would be grateful if you could fill this in and send back to school so staff can ensure you have seen both our approach to behaviour and the School Charter.

Kind regards

Mrs Cripps
