FOOTBALL

Our football clubs are designed for all ages and abilities; they will include all components a footballer needs at the elite level. Tackling, defending, passing, fitness, dribbling, shooting, attacking and even goalkeeping if your child wants to have a go at it. They will be doing different skills and drills each week and then putting the practice into performance towards the end of the session by playing a competitive game with children their own age and ability. SH Active Sports strives to ensure each club is a place for your child/children to find new friends, enjoy themselves, be rewarded for success, boost self-confidence and obtain an active and healthy lifestyle.

NERF CLUB

It's Nerf or nothing! This club is fun from start to finish! Children will learn how to use our wide range of nerf blasters safely, work on accuracy with our target practice sessions as well as teamwork in our battle zone themed games. Activities such as base building, save the VIP and practicing on our target range. If your child is nuts about Nerf this is definitely the club for them.

GYMNASTICS

We love to encourage individuality at our gymnastics club, we nurture whatever ability your child is at. If it's working on the basics on the mats or working on more advanced skills using the apparatus the club will help your child gain confidence performing their skills and showing off what they can do. We will work on shapes, rolls, stepping, jumps and acrobatic skills to help the children to improve their skills.
