DERBYSHIRE LOCAL OFFER

"Helping and supporting children & young people with special educational needs and disabilities to be more confident in their communities and live independently."

The Derbyshire Local Offer is in place to support children and young people with special educational needs and disabilities (SEND), as well as their parents and carers. It provides clear information about available services and provision, including how to apply for an assessment, early years support, education and learning, care services, preparing for adulthood, health and wellbeing, financial support and travel and transport. The Derbyshire Local Offer contains useful resources for families. The Local Offer includes a directory of local SEND services, support groups, and activities, empowering families to make informed decisions and enhance the quality of life for children and young people with SEND in Derbyshire.
