South Derbyshire Neurodevelopmental Community Hubs

The South Derbyshire Neurodevelopmental Community Hubs are a free service commissioned by the NHS/Joined Up Care Derbyshire to provide information and advice to children and young people (aged 0-25) and their families in the South Derbyshire area that may be neurodivergent.

No formal diagnosis or professional referral is needed to access our service, as we believe it's important for families to be able to access support at every stage. Including families that might be recognising neurodiverse characteristics for the first time, waiting for diagnostic assessment or needing additional support following a formal diagnosis - we are here to support you every step of the way!

How can we help?

One of our advisors will then see how they support you, including sharing information and resources, going through any available strategies and signposting to other local services. As we are part of Citizens Advice Mid Mercia we can also offer free holistic support on secondary issues such as benefits, housing or advice!

South Derbyshire Neurodevelopmental Community Hubs

No matter the issue we are here to help! As well as working directly with families we also work with local organisations to extend out our support into the local community. If this is something you might be interested in please feel free to visit one of our hub events or contact a member of the team via our telephone or email service to learn more about the support we can offer to local organisations including schools, early year providers and VSCES.

Our hub locations:

Our hubs take place **every Monday 10am-4pm** alternating between **Citizens Advice Mid Mercia in Church Gresley** and **Swadlincote Library.**

We also run satellite hubs in the local community including regular sessions our district schools.

For more information about our service and events please visit our website!
