## How to Trap a Big, Bad Wolf.

Are you kept awake at night by the sound of big, bad wolves crunching bones? If so, do not despair because help is at hand. Wolves must be defeated! Read these instructions and soon, you too will be rid of this terrible pest.

You will need:

- A magical spade
- A brown sheet
- Some leaves and sticks
- Plus a large, juicy bacon sandwich

Method:

1. First, dig a deep pit.
2. Next, cover the pit with a brown sheet.
3. After that, scatter on the leaves and sticks.
4. Then, place the large, juicy bacon sandwich on top.
5. Finally, tiptoe behind a tree and wait.

The big, bad wolf will not be able to resist the temptation and will fall into the pit!

A final note of warning:

Do not talk to big, bad wolves because they WILL try and trick you!
