Our Vision, Aims and Values

Our Vision

It is our vision to be an excellent school, where all children are happy, confident, compassionate and inspired learners, who are given the knowledge and skills necessary to succeed in their next stage of education and to be prepared for life in the 21st century.

Our Rationale

We want to provide our children with the best experience and outcomes possible. Whilst we recognise the importance of having good literacy and numeracy skills, we endeavour to provide our children with a wide variety of skills, knowledge and talents, through a broad, balanced curriculum that supports the development of the whole child, both academically and personally. We recognise that to be a successful learner children need to feel safe and secure and, therefore, we strive to promote their well-being and provide them with special experiences and memories.

We expect all of our stakeholders to encourage our children to respect the rights and feelings of others and to have a can-do attitude and aspire for success. Consequently, we aim for excellence in our teaching and high expectations permeate all that we do, with all staff leading by example.

Mission Statement

Believe, Achieve, Succeed

To help our children really understand and recognise what this means for them we have broken it down further:

Believe: We believe in ourselves

We respect and care for each other

We feel confident and empowered

Achieve: Achieve the best we can

Be a happy learner

Be a resilient learner

Be an independent learner

Succeed: Succeed in all we do

Have high aspirations

Have an enterprising mind

We recognise that if children can demonstrate these characteristics, they will achieve and succeed in their learning and development.

Our Core Values

We have five core values which overarch all that we teach in order to give the children a wider understanding of the world that surrounds them and into which they are growing up and these are interwoven into every topic.

These values are: Independence, Resilience, Kindness, Respect and Honesty
